Extra Information:	The National Survivor User Network (NSUN) is a network of people who have and do experience mental distress who want to change things for the better. The network was set up to build a more united and confident mental health service user movement. It recognises the isolation, discrimination and disadvantage experienced by mental health service users and their needs beyond clinical treatment.
Type of Services:	Education
Type of Condition or Health Subject:	Health & Wellbeing
Date Created:	29/09/2017
