<b>Extra Information:</b>	The Spirituality & Wellbeing Service is available to all patients, relatives and staff, whatever your faith or beliefs and even if you do not practice a religion. There may be times when you feel the need to talk to someone - Chaplains have time to listen to your concerns and take what you say seriously. Chaplains have links with many faith communities and can get an appropriate representative to cater for your needs. They respond to referrals throughout the Trust and within the community and also provide an on-call service in emergencies.
