Extra Information: Home-Start is one of the leading family support

charities in the UK. Home-Start volunteers help families with young children deal with the challenges they face. We support parents as they learn to cope, improve their confidence and build better lives for their children. Families struggling with post-natal depression, isolation, physical health problems, bereavement and many other issues receive the support of a volunteer who will spend around two hours a week in a family's home supporting

them in the ways they need.
